Altru Health System’s Diabetes Center is recognized by the American Diabetes Association.
Continuing Education

Dietitians/Dietetic Technicians
This program has been submitted to the Commission on Dietetic Registration for continuing education approval.

North Dakota Nurses
Application for 6 contact hours has been made. Altru Health System is an approved provider of continuing nursing education by the Washington State Nurses Association Continuing Education Approval & Recognition Program (CEARP), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Minnesota Nurses
This program is designed to meet the Minnesota Board of Nursing criteria for contact hours. However, it is the responsibility of the participants to ascertain if an offering meets the requirements for acceptable continuing education. Participants will be provided the materials required by the Minnesota Board of Nursing for verification of participation.

Physicians
Altru Health System is accredited by the North Dakota Medical Association to provide continuing medical education for physicians. Altru Health System designates this education activity for a maximum of 5.25 credit hours in Category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
