

ND Center for Nursing Organizational Structure

ABOUT THE ND CENTER FOR NURSING

The ND Center for Nursing, a 501c3 non-profit, was created in 2011 as a centralized coordinating organization for North Dakota's nursing community. We encourage all nurses to become involved in the nursing community and have many opportunities and resources.

The mission of the North Dakota Center for Nursing is to guide the ongoing development of a well-prepared and diverse nursing workforce to meet the needs of the citizens of North Dakota through research, education, recruitment and retention, advocacy and public policy. The Center for Nursing has a governing board, a leadership team, and the North Dakota Action Coalition.
